Ravi Panchal

Summer Intern'24 @ Indian Railways | Btech'27 GSV
Vadodara, Gujarat, India

Summary

At the forefront of integrating AI into the national railway network, our team at Indian Railways is committed to propelling operational efficiency forward. This Summer Internship allows me to apply my knowledge in Artificial Intelligence from Gati Shakti Vishwavidyalaya and my programming skills in Python, JavaScript, and CSS to real-world database management and networking challenges.

Through this practical experience and my academic pursuits, I'm honing a robust skill set that encompasses both foundational and emerging technologies in AI. Our collective goal is to deliver innovative solutions that will revolutionize the way Indian Railways operates and contributes to the nation's progress.
